

The College Level Examination Program (CLEP) is an external credit by-examination program that measures a student's level of comprehension of introductory college-level material for which students may earn college credit by receiving a satisfactory test score. West Valley College students can receive credit towards an AA/AS degree. Students who are planning to satisfy graduation or transfer requirements by completing the CSU General Education-Breadth certification pattern may apply credit obtained through CLEP per the California State University approved policy AS-2492-10/AA. Each campus in the CSU system determines how it will apply external examinations toward credit in the major. For students not already certified in General Education and/or American Institutions, the campus also determines how to apply credit from such exams toward the local degree requirement.
