This certificate is designed for student planning to transfer to either the University of California (UC) or the California State University (CSU) system. Students who have the opportunity to learn the basic principles of natural science, social and behavioral science, the humanities and fine arts. Students completing this certificate should understand the basic principles of the academic discipline, their method of inquiry, their history and impact on society and their relationship to each other. The certificate offers students a program of study which meets the requirements of the UC or CSU system. Although the certificate recognizes the completion of lower division courses, it does not guarantee admission to a particular university or school within the UC or CSU system, nor does it guarantee admission to a particular university or college. A student who completes a certificate program may be required to complete additional preparation and/or a higher level of study than is necessary for this certificate. Students who intend to transfer out of the current UC transfer program including in-state and eligibility for certification.

1/1/2020

Upon successful completion of this program, a student will be able to:

Critically evaluate the function of media in contemporary society, the aesthetic style and relative excellence of representative works of the art, literature, philosophy and foreign language including approaches from various historical, cultural and gender-based origins. Critically analyze and solve problems using quantitative and qualitative techniques including appropriate use of logic, statistical and multi-dimensional analysis and cultural consideration where applicable.

Plan and deliver ideas and concepts through verbal and non-verbal presentation through written and oral communication.

Analyze the interaction between social, political and economic systems, for example, in response to effective ways and/or in different contexts.
