West Valley College Career Services serves as a hub to connect students to career tools and opportunities, resources, and courses. Career Services provides support to assist all students toward their next job, internship, and/or career.

Services Offered:

- Career Development Workshops
- Career Exploration through [Career Coach](#)
- Resume builder and assistance through [Career Coach](#)
- Job and internship database through [Handshake](#)
- Connection to internships through LAEP
- Handouts, guides, and tips

LEARNING OUTCOMES

After utilizing Career Services, a student will be able to:

- Select appropriate college courses, programs and services to meet individual career goals
