

7. **What were the program's goals and objectives from its [2013-2014](#) and [2014-2015](#) program reviews?** Please discuss how your program was successful in meeting its goals and objectives and any challenges faced by the program in meeting its goals and objectives.

One of the goals and objectives for the program was to obtain clerical support through the institution. We advocated for the support and currently the program now has been provided part-time clerical support. Another goal was increased outreach for our specialized population, which we have increased thr
